

6th March 2021

CERTIFICATE OF COMPLIANCE

Food Contact Status

Product Name: Paper tube, kraft, black - volume 10,18,30,40,60mm

We hereby certify the Cardboard Tube range are in compliance with EU Regulation (1935/2004) Food Contact Materials.

In the case of paper and card the regulation does not specify how to comply, so we use a CoE Res for the tests to show compliance to 1935/2004/EC.

Test results EN71-3:

1995 incorporating amendment No. 1 = **PASS**

Specific Migration of Formaldehyde = **PASS**

PCP Content = **PASS**

By observing the above regulations, we have fulfilled our duty of care regarding the compliance of the product with legislation governing food contact applications.
